1. Getting Started

Welcome to PeopleConnect. This dashboard consolidates mental health tools and essential resource locators into one easy-to-use interface.

Navigation Bar Controls

Button Name	Function
Deep Work	Access the Focus Timer and ambient sounds.
Nearby	Open the Geo-Locator to find physical resources.
Hub	Browse categorized service cards (Food, Shelter, Medical).
Wellness	Access the survey, breathing, and grounding tools.
Login / Profile	Sign in to save your journal entries and survey history.

Emergency Quick-Actions

Located at the top right of your screen (or footer on mobile):

- Shield Icon: Instantly dials Police (100).
- Truck Icon: Instantly dials Ambulance (108).
- Brain Icon: Dials the Mental Health Helpline (1800-599-0019).

2. Deep Work Zone

This section is designed to help you study or work without distractions.

A. Focus Timer

1. Set Duration: Enter your desired 'Work' and 'Break' minutes.
2. Start Session: Click the purple button to begin the countdown.
3. Visual Cues: The coffee cup fills/empties to visualize time passing.
4. Reset: Use the circular arrow button to reset the timer.

B. Ambient Mixer

Customize your environment by dragging the sliders:

- Rain Cloud: Adds rainfall and thunder sounds.
- Headphones: Adds Lo-Fi study beats.
- Coffee Mug: Adds coffee shop chatter ambience.

C. Brain Dump Pad

Type distracting thoughts here. They are saved automatically to your browser, so you can deal with them after your focus session.

3. Finding Resources

The Geo-Locator

1. Click the 'Start Scanning' button in the 'Services Near You' section.
2. Wait for the radar animation to complete.
3. View Results: Cards will appear showing distance and status.

Understanding Status Badges:

- Green (OPEN NOW): The facility is currently accepting people.
- Yellow (CLOSING SOON): Rush, they close shortly.
- Purple (MEDICAL): Hospitals or Clinics with 24/7 aid.

The Service Hub

If you don't need location services, check the static categories:

Food & NGOs	Community Kitchens verified by local volunteers.
Shelter	Government listed night shelters.
Student Care	Academic stress support and counseling.
Emergency Blood	Live donor database access.

4. Wellness Tools

Wellness Assessment Survey

1. Click 'Start Check-In' to answer 8 questions about sleep, mood, and stress.
2. Results: You will get a Score (0-100) and a Zone (Green/Yellow/Red).
3. Download Report: Click the button to get a PDF with medical advice and specific recovery protocols tailored to your score.

Breathing & Grounding

- Breathe Tool: Follow the expanding/shrinking circle. Inhale when it grows, exhale when it shrinks. Helps lower cortisol instantly.
- Grounding (5-4-3-2-1): Use this button if you feel a panic attack coming. The app will guide you to identify things you can See, Touch, Hear, etc.

Daily Journal

1. Select an Emoji representing your current mood.
2. Type your thoughts in the text area.
3. Click 'Save'. You can view past entries in your Profile.

5. Profile & Assistance
